

Checklist for Credit Sweep

(Remember we cannot start the process without all of these items!)

1. Please setup a credit monitoring system. You can create the account at www.creditchecktotal.com or www.equifax.com/3in1-credit-report-score/ (if you choose the Equifax monitoring option you must select the 3-in-1 Credit Report with Score - \$39.95 to monitor your improvement.
2. Provide a copy of your driver's license. (MUST BE LEGIBLE) We prefer that you scan in color and blow up to 200x on the copy machine. If you must copy and fax please ensure the fax is legible.
3. Provide a current utility bill. Cannot be more than 30 days old.
4. Please completely fill out and have the identity affidavit notarized. We prefer that you fill it in online, print it, get it notarized and scan and email back to us. If you need to fax it after being filled out please ensure it is legible.
5. Please provide a legible (color if possible) copy of your Social Security Card)
6. Lastly, payment in full. We cannot begin work until payment has been received in full and has been cleared.
